

Applications for AKADAMICS 2017-18 are now being accepted

AFNA is now accepting applications for its AKADAMICS program from deserving candidates in Assam. Started in 2013, this program seeks to provide financial assistance to deserving college going students from Assam. AKADAMIC Scholarships include a monetary support of up to Rs. 10,000 for non-professional courses (e.g. BA, B.Sc., B.Com. etc.) and Rs. 30,000 for professional courses (Medical, Engineering, etc.) per annum, based on the need. Each scholar will be supported with a mentor who will advise and guide the scholar and monitor his/her progress.

We have supported 47 scholars so far with 16 graduated last year. We are looking forward to extend the scholarship to another 20 candidates in 2017-18. For more information, please visit our site:

Join us at 38th Assam Convention, 2017 in Toronto, 30th June - 2nd July

AFNA joins AANA, ASSNA and the Convention Host Committee to invite you to Assam Convention 2017 to be held at Toronto, Ontario, Canada from June 30th through July 2nd. The annual General Body meeting of AFNA will be held during the convention where AFNA will share the progress of key projects and future plans for charitable activities. AFNA looks forward for your participation and continued support. Stay tuned for more information in the coming months. For more detail on the convention, please visit the site <http://www.assamconvention.org/>

Appeal to observe World Water Day, March 22nd

World Water Day is held annually on 22nd March as a means of focusing attention on the importance of freshwater and advocating for the sustainable management of freshwater resources. The United Nations designated 22nd March 1993 as the first World Water Day. AFNA believes that making clean drinking water available to everyone is an important step towards equality. AFNA appeals everyone to observe this date and take a pledge towards stopping waste of water and contribute towards conservation of water. AFNA has also received an appeal from an India based organization Walk For Water to spread this message forward as they try to create mass awareness in India and around the world. For more information, please check their site www.walkforwater.in

AFNA Volunteers make a difference for Snehalaya child

Snehalaya had been an old and trusted partner of AFNA in its mission. Shenalaya runs an orphanage in Guwahati. When a social worker in Snehalaya requested for help, AFNA volunteers responded immediately and helped a child to get back into school. Read the heart warming story [here](#).
